REPLEX Retail Security

(the best all-in-one-kit on the market)

Replex Retail Security: Better by Design

it's simple as

1.

remove from box

2.

attach your camera

3.

mount to the conduit

No more running around trying to find the dome that fits the bracket that fits the camera. REPLEX Retail Security does all the work for you. Choose from a 9" or 10" *complete kit* with snap together components that fit *any CCTV camera*. Just remove from the box, attach your camera and it's ready to mount a Replex Retail Security system any 1/2" PVC or 3/4" EMT electrical conduit. Or choose a Drop-in-Dome. Either way all REPLEX PLASTICS' domes are optically pure and available in standard clear, bronze, chrome or 24K gold finishes. And since REPLEX PLASTICS is a licensed Bayer AURA @ Color converter, take your pick of *any custom color* for the housing. Choose as many *different colors* as you want, in the quantities you need and pay a fraction of the cost you're used to paying for your retail security products.

REPLEX Retail Security is designed to enhance installation, optical performance and interior decor.

Features:

Complete pendant and drop-in dome kits

Tool-less installation

Highest quality, optically clear domes available

Opaque finish with camera viewing slot available
